

Inspire young people this summer

[About The Challenge](#)

The Challenge is the UK's leading charity for building a more integrated society. Our mission is to design and deliver programmes that bring different people together to develop their confidence and skills in understanding and connecting with others. Over the last fifty years, the UK has become much more diverse by age, ethnicity and income. But despite our growing diversity, many of us spend relatively little time with people from different walks of life.

[About NCS](#)

NCS is a government-funded programme that brings together 15 – 17 year olds from a diverse range of backgrounds to make a difference in their community. Young people get the chance to meet new people, make lifelong friends and gain new skills for their CV.

[Why NCS The Challenge?](#)

We require the motivation and support of over 4,500 seasonal staff to bring the programme to life and ensure its lasting impact. We believe that through bringing together people from different backgrounds and supporting a young person's transition into adulthood, we can create a more cohesive and responsible society. Paid seasonal staff see the amazing difference that NCS has on the young people who participate, giving them the confidence to thrive in the future.

[How you can get involved](#)

We have 18 different roles, but your professional experience makes you the perfect candidate for our **Programme Leader** position. The Programme Leader oversees the running of the NCS programme. You manage 14 staff so that 84 young people are well looked after and can enjoy their experience on NCS. The role lasts for 14 days per stint, and you get paid £1,540.

[Training and Support](#)

A hands-on designated staffing member to guide you through the application process and then during your time on NCS. You will also receive an all-inclusive two-day training and certified First Aid training that you can use for other employment.

Apply Now

Quote **NT0217FT** when prompted and we will Fast Track your application!
